FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM 2017-18

Vijayam Science and Arts Degree College has collected the feedback from all the stakeholders (students, faculty, employers, and alumni) by all the departments independently. The respective department academic committee (DAC) reviewed the feedback and after deliberations, the committee has prepared a report and submitted for perusal to incorporate the possible suggestions to revise the curriculum. The Affiliated University received feedback from student under consideration during 2017-18.

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Student - Mathematical Sciences

S. No	Feedback	Action Taken
1	Need practical knowledge on science related aspects.	Relevant practical orientation classes provided.
2	Passive learners wanted to provide extra classes to improve the learning outcomes.	Passive learners are taken care of.
3	Curriculum should be suitable to crack competitive exams in future.	Curriculum is suitable for all the exams.
4	Student's centric activities should be conducted.	Students participated in the learning activities related to the subjects.

Feedback report from Students-Department of Life Sciences

S.NO	Feedback	Action taken
1.	Students centric Science Activities to be Conducted	Certain interested Science programs in which Students Played main Role Conducted
2.	Need Practical's for Certain concepts Those does not included on the practical syllabus	The Important Science Concepts were Practically Tested
3.	Curriculum should provide more employment opportunities	Many Analytical techniques which has employment Opportunities were Included
4.	Slow Learners wants extra classes, extra guidance in Chemistry	Special affection given to subject interested slow learners

Feedback report from Students-Department of Management

S.NO	Feedback	Action taken
1.	Curriculum may be revised including new topics flexibility in curriculum and need for skills-oriented courses were suggested. The curriculum should include advanced learning modules.	Leadership studies were introduced as a course for all undergraduate students.
2.	Faculty student interaction may be enhanced. Smart class programs may be made effective.	Learning Management system through interactive activities which enables the mutual interaction between faculty and student was encouraged smart class rooms, video conferencing etc., was made effective by use of ICT.
3.	As extension activities are part of the curriculum, more activities suiting the current needs were to be organized.	Observation of international yoga day talks on corporate social responsibility and skill India was organized workshops and seminars were conducted on skill development self-defense training and disaster Management. General and Reproductive Health for women.
4.	Student's centric activities should be conducted.	Students participated in the learning activities related to the subjects.

The Affiliated University received feedback from student under consideration during 2019-20.

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from faculty – Department of Humanities

S.NO	Feedback	Action taken
1.	Practical knowledge is needed to face real life situations	Topics related to practicality given priority
2.	Faculty must be given importance to recommend new topics in curriculum	Most of the courses are designed by the faculty members and accepted by UGC
3.	Faculty must be given freedom to suggest new topics in curriculum	Majority of courses are designed by the faculty members and approved by UGC
4.	No of reference books must be available to students in college library	Needed action taken according to the suggestions.

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM

2017-18

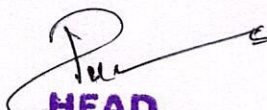

The Vijayam Science and Arts Degree College has a strong association with Alumni from long back. They provided their support by giving their suggestions which helps to fill the gaps in curriculum. Based on their suggestions the institution communicated to the affiliated University for the valuable changes in curriculum.

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Alumni – Department of Management

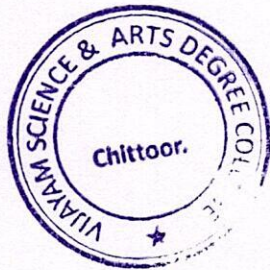

S. No	Feedback	Action Taken
1	Project based learning must be introduced.	Assignments are given to the students.
2	Entrepreneurship development programs may be conducted.	Training on “Business Skill Development for Women Entrepreneurs” was conducted.
3	Employability skills may be improved.	Communication Skills training carrier action caching management training leadership training were given to the students.
4	More emphasis should be on the application of the opted field of study.	Inter disciplinary final year projects were encouraged.

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM

2017-18

Employer feedback that is constructive is vital to student's on-going development. Feedback clarifies expectations, helps students to learn from their mistakes and builds confidence. The Department of Computer Science collects feedback from employer which is analysed and vital suggestions are considered and necessary actions are taken. The summary of feedbacks collected and action taken given below:

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Employer

S. No.	Feedback	Action Taken
1.	Student should be familiar about industry exposure.	Different resource persons from industries to address the students regarding industrial knowledge.
2.	Recruiters suggested that the students should be strong in their interpersonal skills and focus on personality development for the interview process.	Soft skill classes and intensive training on aptitude training was as planned for the next academic year.
3.	Student should be more participative and familiar about collaborative team efforts.	Focused on soft skill training which emphasized on participative games and team collaboration efforts.
