FEEDBACK AND ACTION TAKEN REPORT ON CURRICULUM

2018-19

The feedback is collected from all the stakeholders (students, faculty, employers, and alumni) by all the departments independently. The respective department academic committee (DAC) reviewed the feedback and after deliberations, the committee has prepared a report and submitted for perusal to incorporate the possible suggestions to revise the curriculum. The Affiliated University received feedback from student under consideration during 2019-20.

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Students-Mathematical Sciences

| S. No	Feedback	Action Taken
1	Need to enhance logical skills in mathematical science.	practical orientation classes provided to improve logical skills.
2	Slow learners wanted to provide extra classes to improve the learning and understanding.	learners are taken care of.
3	Curriculum should be suitable to crack competitive exams in future.	Content is suitable for all the exams.
4	Student's centric pursuit should be conducted.	Students participated in the learning activities related to the subjects.

Feedback report from Student - Department of computer Sciences

S. No.	Feedback	Action Taken
1.	More emphasis should be on practical aspects of the subjects such as Programming in C	Question and department handbook provided for practice.
2.	Small projects to be included in subject design and analysis of algorithms and other core subjects.	Supplementary questions included in problem sets to prepare students for competitive exams.
3.	Dress code should be relaxed to have a more comfortable environment.	Dress code is relaxed on Thursdays. However no relaxation will be given during University Tests and End Sem Exam.
4.	Special Training sessions should be conducted to enhance soft skills and communication skills.	Department conducts soft skill classes as a non credited course.
5.	Department should introduce more elective subjects in the curriculum.	Initiatives taken to upgrade session of Computer Science and Computer Application programs.
6.	Extra Lab Sessions should be conducted for those who missed labs	Extra labs are conducted but weight age of marks Is reduces.
7.	Trainer and professional experts must be called / invited to deliver a lecture on advanced areas of computer science and currents trends.	Trainers and professional experts from different organizations were called to delivered talk on current trending areas of computer science and its applications.

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM

2018-19

The Vijayam Science and Arts Degree College has a strong association with Alumni from long back. They provided their support by giving their suggestions which helps to fill the gaps in curriculum. Based on their suggestions the institution communicated to the affiliated University for the valuable changes in curriculum.

**The consolidated feedback and the action taken report are summarized as follows:**

Feedback report from Alumni -Mathematical Sciences

S. No	Feed back	Action Taken
1	Curriculum must accommodate appropriate aspects regarding mathematical sciences.	Curriculum is well designed
2	Curriculum must impart leadership qualities among students	Leadership education course introduced as a part of the curriculum
3	Invite awareness programs on new technologies	Awareness program conducted on Research and career opportunities in the field of Atmospheric studies.
4	Foundation related to real world objects	Matter is concerned requested to affiliated University.

## FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM

2018-19

The Employer feedback that is constructive is vital to student's on-going development. Feedback clarifies expectations, helps students to learn from their mistakes and builds confidence. The Department of Computer Science collects feedback from employer which is analysed, and vital suggestions are considered and necessary actions are taken. The summary of feedbacks collected, and action taken given below:

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Employer

S. No.	Feedback	Action Taken
1.	Student should be familiar about industry exposure.	Different resource persons from industries to address the students regarding industrial knowledge.
2.	Recruiters suggested that the students should be strong in their interpersonal skills and focus on personality development for the interview process.	Soft skill classes and intensive training on aptitude training was as planned for the next academic year.
3.	Student should be more participative and familiar about collaborative team efforts.	Focused on soft skill training which emphasized on participative games and team collaboration efforts.
