

Feedback on Design and Review of Curriculum

Action Taken Report
AY 2019-20

Feedback Action Taken- Student

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM

2019-20

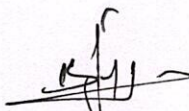

The feedback is collected from all the stakeholders (students, faculty, employers, and alumni) independently. The respective department academic committee (DAC) reviewed the feedback and after deliberations, the committee has prepared a report and submitted for perusal to incorporate the possible suggestions to revise the curriculum. The Affiliated University received feedback from student under consideration during 2019-20.

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Students-Department of Computer Science

S No.	Feedback	Action taken
1.	Data science can be included in elective courses	2. This course is available in open elective regulations
2.	Need to allot more practical courses	3. More labs are introduced in next regulations by the affiliated university
3.	Should include more self-learning courses	4. In the curriculum it is also provided
4	The college should provide external project internship	5. Matter is under consideration and discussed in the DAC meeting.

HEAD
Dept. of Computer Science
Vijayam Science & Arts Degree College
Chittoor - 517 001 (A.P.)

Feedback report from students - Department of Humanities

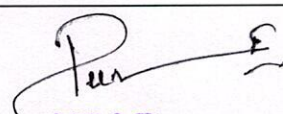

S.NO	Feedback	Action taken
1.	Competitive exams topics should be given priority in the curriculum	Duly checked and added few important topics in curriculum
2.	The syllabus should make students to enhance their skills	Noticed and added the topics related to skills enrich
3.	Curriculum should give space to add presentation skills related topics	Identified the needed changes in curriculum and planed to add such topics
4.	The syllabi of the course should help students to exhibit their standards	To develop the standards of students the advanced changes has taken consideration
5.	Students should assign the activities like seminar and workshops as mandatorily	Students were given chance to prove themselves by participating in seminars and workshops.

 Dept. of Humanities
 Vijayam Science & Arts Degree College
 Chittoor - 517 001 (A.P.)

Feedback report from students - Department of Management

S.NO	Feedback	Action taken
1.	The curriculum should include courses like Science and Civilization	1. The DAC has requested the university to implement the course
2.	The curriculum should be relevant to the syllabus of various competitive examinations	2. Duly noted and discussed in the DAC meeting
3.	Syllabus should be equipped with necessary technical skills to face IT requirements	3. Inclusion of new technologies in the form of elective courses
4.	The syllabus should enable students to improve the ability to formulate analyse and solve problems	4. Matter is under consideration

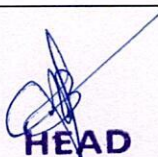

HEAD
 Dept. of Management
 Vijayam Science & Arts Degree College
 Chittoor - 517 001 (A.P.)

Feedback report from students - Department of Life Sciences

S. No	Feedback	Action taken
1.	Case study approach may be introduced. Group assignment and projects to be given.	Case study assignments were given to the Group assignments and projects to be given. Students. This helped them to acquire problem solving skills. Group assignments and projects were given Interdepartmental projects were carried out.
2	Practical knowledge to be imparted which help them to face real life situations.	Role play models and individual presentations by students in the institution were encouraged for participating in competitions organised by other institutions were facilitated
3	Experts suggested starting some tutorial classes focusing on overall Personality Development and Stress Management.	Tutorials aiming at Personality Development and Stress Management for students were planned.
4	The curriculum can be modified to make future ready individual for a industry	Matter is discussed in the DAC meeting and expecting affiliating university to change the curriculum.

Feedback report from students - Department of Commerce

S.NO	Feedback	Action taken
1.	Digital teaching aids has to be implemented in Commerce Course	1. Power point presentations are provided in addition to black board teaching
2.	Reference books and E-books made available in the library	2. Volume of E-books made available in the library
3.	Professional activities must be conducted	3 .matter is considered and discussed at DAC meetings
4.	Need training on IOT	4.implemented under Value Added Course in the curriculum

Feedback report from students - Department of Mathematical sciences

S. No	Feedback	Action Taken
1	Insisted the need of Digital Knowledge in learning Mathematical Sciences.	Extra lab hours were provided.
2	Backlog students want extra classes to improve the learning aspects.	learners are taken care of
3	Curriculum should be suitable to write all exams in future.	Content is suitable for all the exams.
4	Student's centric approach should be followed.	Students participated in the learning activities related to the subjects.

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM

2019-20

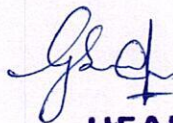

Vijayam Science and Arts Degree College has collected the feedback from faculty about the curriculum to review syllabus for 2019-20 regulations. The teaching community is always concentrated on student's progress by competing syllabus, giving valid suggestions regarding career growth and allowing them to be active in curriculum aspects.

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from faculty - Department of Humanities

S.NO	Feedback	Action taken
1.	Curriculum must follow the norms and standards	As per the UGC Norms curriculum is designed
2.	Need to add skills related topics in curriculum	As per the suggestions and discussions the same has been noted for further action
3.	Faculty must be given importance to recommend new topics in curriculum	Most of the courses are designed by the faculty members and accepted by UGC
4.	No of reference books must be available to students in college library	Needed action taken according to the suggestions.

Feedback report from faculty - Department of Commerce

S. No.	Feedback	Action Taken
1.	The Session and Syllabus of UG programme is satisfactory and as per industry standards. No revision is required.	The syllabus is enhanced by including more electives.
2.	Trainer and professional experts must be called / invited to deliver a lecture on advanced areas of Computer Science and current trends.	Department is practicing the activity.
3.	Core subjects should have a more practical approach.	The question papers of internal tests and end sem examinations incorporate numerical questions more than theory.
4.	Tutorial classes should be more interactive and participative.	To increase participation in Tutorial Classes, surprise tests are introduced.

Feedback report from Faculty - Mathematical Sciences

S. No	Feedback	Action Taken
1	The faculty feel that the syllabus was well organized.	Curriculum followed as per university norms.
2	Plans are given by the faculty to add value added courses to magnify the job opportunities for the students in mathematical sciences.	The courses have been improved.
3	Suggestions are given by the faculty to include new topics in Mathematics and Statistics.	Informed to be Mathematical Sciences Committee.
4	The faculty suggested introducing self-study courses into the curriculum.	Orientation on self-study courses conducted.

Action Taken Report- Alumni

Feedback report from Alumni – Department of Life Sciences

S. No	Feedback	Action Taken
1	The curriculum must import ecofriendly qualities among Students	The topics which reveals the environment and our activities relation were included
2	Guest Lectures are needed to understand the new techniques and concepts.	Many guest lecturers were invited for new techniques and concepts
3	Need to give more practical Knowledge	Allotted extra hours for practicals
4	Should have science based Industrial visits to slow learners should get more practice in organic chemistry	More tests and assignments were conducted for average Students

Feedback report from Alumni – Management

S. No	Feedback	Action taken
1.	Students need to be aware of industry exposure	Invited resource persons from industries were made to address the students
2	It is suggested that the students are be strong in their aptitude skills, as it is the first level of the interview process.	Intensive training on aptitude training was planned for the next academic year.
3	Entrepreneurship development programmes may be conducted.	Training on “Business Skills Development for entrepreneurs” was conducted.
4	Employability skills related programmes may be conducted	Various vocational skill training programs, Education and Entrepreneurship Development and Special Education were organised. Communication skills training, career action coaching, management training, leadership training was given to the students

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM 2019-20

Employer feedback that is constructive is vital to student's on-going development. Feedback clarifies expectations, helps students to learn from their mistakes and builds confidence. The Department of Computer Science collects feedback from employer which is analysed and vital suggestions are considered and necessary actions are taken. The summary of feedbacks collected and action taken given below:

The consolidated feedback and the action taken report are summarized as follows:

Feedback report from Employer

1.	Student should be familiar about industry exposure.	Different resource persons from industries to address the students regarding industrial knowledge.
2.	Recruiters suggested that the students should be strong in their interpersonal skills and focus on personality development for the interview process.	Soft skill classes and intensive training on aptitude training was as planned for the next academic year.
3.	Student should be more participative and familiar about collaborative team efforts.	Focused on soft skill training which emphasized on participative games and team collaboration efforts.
