FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM 2021-22

The feedback is collected from all the stakeholders (students, faculty, employers, alumni) by all the departments independently. The respective department academic committee (DAC) reviewed the feedback and after deliberations, the committee has prepared a report and submitted for perusal to incorporate the possible suggestions to revise the curriculum. The Affiliated University in turn has changed the curriculum for the academic year 2021-22. The consolidated feedback and the action taken report is summarized as follows:

Feedback report from Students of Bachelor of Computer Applications

SNO	Feed back	Action Taken
1.	Internship programs for professional learning experience.	Short-term & long-term internship programs are useful in the curriculum procedure.
2.	The added core related practical courses like AJAX, PHP, MYSQL etc are have the knowledge to design projects.	Addon courses are useful to present projects development.
3.	Curriculum must impart leadership qualities and Managerial skills.	Introduce new courses like Office secretary ship, entrepreneurship development, Human Values and Professional Ethics.

The “Vijayam Science and Arts Degree college” has wide range of faculties and Feedbacks were collected from them about the curriculum to review syllabus for **2021-22** regulations. As the teaching community is always linked with up to date of syllabus and keep pace with the student progress, the most expert and resourceful suggestions were obtained from the faculty.

- A good proportion of the respondents agree that the course content is very good.
- More than half of the faculties agree that the syllabus is need based.
- A majority of the faculties satisfied with aims and the objectives of the syllabus.
- Data regarding the availability of reference books in the College is reviewed by the faculties. From the data it is analysed that more than half of the teachers rated the availability of reference books as very good. The Library is resourceful.
- Faculty members also suggested to add/remove topics in some courses.

Feedback report from Faculty of Computer Science
