Action-Taken Report-on-Curriculum

AY – 2022-23

Student-Feedback-Action Taken Report
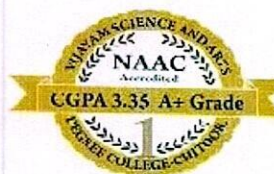

FEEDBACK REPORT AND ACTION TAKEN REPORT ON CURRICULUM
2022-23

The feedback is collected from all the stakeholders (students, faculty, employers, alumni) by all the departments independently. The respective department academic committee (DAC) reviewed the feedback and after deliberations, the committee has prepared a report and submitted for perusal to incorporate the possible suggestions to revise the curriculum. The Affiliated University in turn has changed the curriculum for the academic year 2021-22.

The consolidated feedback and the action taken report is summarized as follows:

Feedback report from Students of Bachelor of Computer Applications

SNO	Feed back	Action Taken
1.	Curriculum must impart leadership qualities and Managerial skills.	Introduce new courses like Office secretary ship, entrepreneurship development, Human Values and Professional Ethics.
2.	Internship programs for professional learning experience.	Short-term & long-term internship programs are useful in the curriculum procedure.
3.	The added core related practical courses like AJAX, PHP, MYSQL etc are have the knowledge to design projects.	Addon courses are useful to present projects development.

Faculty-Feedback-Action Taken Report

VIJAYAM

SCIENCE AND ARTS DEGREE COLLEGE

[Affiliated to S.V.University APSCHE/SECY/NDC-18/SVU-02/2003-2004]

(Accredited by NAAC with A+ Grade)

NAAC
Accredited
CGPA 3.35 A+ Grade

The "Vijayam Science and Arts Degree college" has wide range of faculties and Feedbacks were collected from them about the curriculum to review syllabus for **2022-23** regulations. As the teaching community is always linked with up to date of syllabus and keep pace with the student progress, the most expert and resourceful suggestions were obtained from the faculty.

- A good proportion of the respondents agree that the course content is very good.
- More than half of the faculties agree that the syllabus is need based.
- A majority of the faculties satisfied with aims and the objectives of the syllabus.
- Data regarding the availability of reference books in the College is reviewed by the faculties. From the data it is analysed that more than half of the teachers rated the availability of reference books as very good. The library is resourceful.
- Faculty members also suggested to add/remove topics in some courses.

Feedback report from Faculty of Computer Science

| S. No.	Feedback	Action Taken
1	The need for Internship was emphasised by the faculty to enrich the potentiality of the students. With this student can get ready to use their technical skills with ease and imply that knowledge in daily bases for all round development.	Internships were made compulsory for all the final year students during their course time. It enhances every student to explore their knowledge and get ready to participate in real-life situations. During the course period all degree students made to participate mandatorily in Internship programme.
2	Faculty felt that providing Value Added Course to students from Industrial Experts is needed for the students' holistic development.	This opinion was accepted initially and kept this suggestion under consideration.
